

Bloomer Rod & Gun Inc.

The next meeting will be May 11th at 7:00 pm

- Thank you to everyone who supported our Pork Steak Feed. We sold out our 300 tickets and everything went very smoothly.
- Coming very soon we will have new Rod and Gun clothing available at the clubhouse. Stay tuned for more details and how and when you can purchase these new items.
- Thank you to everyone who shot indoor archery this year. We did have a few less teams, but everything went very well.
- Our 3-D shoot and Antler scoring event went very well. We had 162 shooters for the 3-D shoot which was the most he had in quite some time. The antler scoring event was yet again a huge success. We put 12 animals in the Wisconsin Buck and Bear book, 11 bucks into the Pope and Young, and 1 into Boone and Crockett.

- The summer outdoor archery range is set up and ready for use.
- If you would like to help us out for the annual Ditch Cleanup, please meet at the clubhouse at 5pm on April 21.

******* Remember to take someone along hunting or fishing*******
