VOL.31      SEPTEMBER 2017      NO.9

The September meeting of the Bloomer Rod and Gun Club will be held on Tuesday, September 12, at the Rod and Gun Clubhouse at 7 p.m. On tap for the lunch committee will be Katie and the Noodle Makers.

## “THINK ABOUT IT”

We have to “plow this ground” every year, so it’s time to start thinking about it. At the October meeting, October 10, we will be working up a list of candidates for the November election of three new Board of Directors members. There may be a need for a Foundation Board member as well. It’s not very difficult to do this job, and it is a necessary thing to take care of the Club’s interests. With over 500 members, we should have to worry about pushing and shoving into the lines to sign up.

## COMING UP

There will be a Concealed Carry Class on September 23 put on by Trigger Control, LLC. For details and registration, call 715.559.1967 or [www.triggercontrol.us](http://www.triggercontrol.us). The class size is a max of 16, or a minimum of 10. Rod and Gun members have priority. This class is for the ladies.

There will be another **Shed Dog Event** on Sept. 23. This will not be at the Rod and Gun Club. For info and details, you can call John or Brittany Beyer at 715.568.3329.

## SOUND

The effort is still ongoing to change the status of firearms suppressors. As usual, the far left is saying, “Wait, that’s not a sound suppressor, that’s a machine gun.” Even the BATF admits the fingerprinting and \$200 tax is a bit ridiculous. It seems the most objections to the Hearing Protection Act, is that the NRA is promoting the act. Never mind the fact that suppressors do not silence a gun. They reduce the sound of the shot. Several gun groups have invited the media to shoot to demonstrate the Hearing protection Act is just what it says. But, of course, they were turned down. Fake news abounds—guess that’s why the mainstream media has a credibility problem.

## ON WISCONSIN

Have you ever encountered an overbearing game warden? Well, I have. That being said, the Assembly Bill 411 should not be OK’d. The open fields laws should be the same for all law enforcement officers. Contact your State Senators and Reps with your opinion.
